

Dagger

This is perhaps the best all-round boat available. The versatility, comfort and stability of this boat make it a must for anything from whitewater touring to class III-IV whitewater. The Animas is best for larger paddlers, with room to fit big feet and still enjoy a day of river running.

STANDARD OUTFITTING

Easy grip rigid grab loops, one-piece moulded thigh braces with neoprene padding, deck loops and seat accessory loops, large Keyhole cockpit, moulded in drain plug, rotomolded seat, adjustable backband, bulkhead footbraces, Minicell walls, stainless steel stern deck security loop.

ANIMAS

Length : 315 cm
Width: 61 cm
Volume: 262 litres
Weight: 18 kg
Cockpit: 85 x 45 cm
Weight range 59-95kg

A high performance paddling machine that has proven to be extremely popular as an all-round kayak for better paddlers. Excellent river-cruiser for advanced paddlers and instructors.

STANDARD OUTFITTING

Easy grip rigid grab loops, large Keyhole cockpit, one-piece moulded thigh-braces, thermo-formed seat, adjustable backband, deck loops and seat accessory loops, drain plug, bulkhead footbraces, Minicell walls.

TRANSITION

Length: 307 cm
Width: 61 cm
Volume: 235 litres
Weight: 17 kg
Cockpit: 86 x 46 cm
Weight range 45-90kg

WIZ

Length: 240cm
Width: 65 cm
Volume: 240 litres
Weight: 16 kg
Cockpit: 85 x 48 cm
Weight range 52-104kg

The Wiz makes a great surf kayak, and will flat spin down the waves until you're dizzy. Its fast enough to make catching waves easy, but has enough volume for pop-up moves in the wash. On the river, its great all-round ability allows for a fun day river-running or playing in your favourite hole.

STANDARD OUTFITTING

Easy grip rigid grab loops, large Keyhole cockpit, moulded one-piece thigh-braces, rotomoulded seat, adjustable backband, deck loops and seat accessory loops, moulded-in drain plug, Yakima footbraces, Minicell walls.

RPM

Length: 274 cm
Width: 62 cm
Volume: 228 litres
Weight: 17 kg
Cockpit: 86 x 48 cm
Weight range 50-94kg

This boat not only looks hot sitting still, it looks hot on the river as you tap into every river feature, big or small. Whether carving up a complex wave, shredding it up in a hole or stern squirting yourself silly - this is the boat for you!! The best boat for paddlers of any standard- it will take you from complete beginner to advanced river runner.

STANDARD OUTFITTING

Easy grip rigid grab loops, one-piece moulded thigh braces with neoprene padding, deck loops and seat accessory loops, large Keyhole cockpit, moulded in drain plug, rotomolded seat, adjustable backband, bulkhead footbraces, Minicell walls, stainless steel stern deck security loop.

Dagger

MEDIEVAL

Length: 240cm
Width: 66 cm
Volume: 215 litres
Weight: 18 kg
Cockpit: 85 x 48 cm
Weight range 63-99kg

The Medieval ensures that the moves are manageable by boaters of all levels, not just the pros. A great surfing boat, its slicey ends allow you to keep the boat balanced when linking vertical moves on the wave or just jumping a waterfall. It's made for the bigger paddler, but still manageable for the lighter weight range.

STANDARD OUTFITTING

Easy grip rigid grab loops, one-piece moulded thigh-braces, rotomoulded seat, adjustable backband, security bar, seat accessory loops, large Keyhole cockpit, moulded-in drain plug, Yakima footbraces, Minicell walls.

DISCOVERY

Length: 380cm
 Width: 68cm
 Depth: 35cm
 Weight: 22kg
 Cockpit: 88 x 52cm

STANDARD OUTFITTING

Linear polyethylene seat, Yakima foot rests, adjustable backrest, deck Loops, deck rigging, large rear hatch, rear bulkhead.

The Discovery will take you to new heights in exploration. It is an easy to handle touring kayak for day or weekend trips. Its tracks well but retains superb manoeuvrability. Great for those who want to paddle from rivers to lakes and bays.

EDISTO

Length: 442 cm (14'6")
 Width: 62 cm
 Weight: 22 kg
 Cockpit: 86 x 48 cm
 Maximum load: 136 kg

STANDARD OUTFITTING

Bow access day hatch, stern access hatch with neoprene & hard cover, easy adjustable footbraces, carrying toggles, closed cell foam bulkheads

EXPEDITION VERSION

Flip rudder system, Deck rigging, padded seat cover.

The Edisto is a stable, user-friendly design making it perfect for paddlers of all levels who want a compact touring kayak with the feel of a longer craft. With a shorter length to enhance maneuverability, the Edisto handles rivers as well as small tidal creeks, marshes, and coves where close encounters with nature require stealthy movement. The Edisto is the ideal weekend warrior touring machine.

Dapper

APOSTLE

Length: 518 cm
 Width: 60 cm
 Weight: 31.5 kg
 Cockpit: 86 x 46 cm
 Maximum Load: 145kg

The kayak of choice - if you value high performance, large carrying capacity and the durability of plastic. Well-suited for extended touring or expeditions in open waters, or just an afternoon work-out. The only plastic touring kayak to feature three bulkheads and a unique easily accessible day-hatch behind the outfitted cockpit.

STANDARD OUTFITTING

Bow & stern hatches, with neoprene cover & hard hatch, easily accessible day hatch, deck lines, shock cord deck rigging, recessed deck fittings, easy adjustable footbraces, carrying toggles, three secure minicell bulkheads, flip rudder system, padded seat cover.

TRINIDAD

Length: 545 cm
 Width: 74 cm
 Weight: 38.6 kg
 Cockpit: 86 x 48 cm
 Maximum Load: 204 kg
 Hatch Volume: (front/ center/ stern) 60/131/65 liters

Our first and long awaited double sea kayak. A stable and fun boat for all conditions, with a long waterline for greater speed and tracking. Both cockpits are roomy and comfortable for short and long term trips, and the three hatches/bulkheads make sure there is enough storage room for multi-day expeditions.

STANDARD OUTFITTING

All hatches with plastic hatch covers, Minicell bulkheads, deck lines & shock cord deck rigging, seat with adjustable backrest, easy adjustable footbraces, carrying toggles, flip rudder system.

DRIFTER

Length: 300cm
 Width: 82cm
 Depth: 30cm
 Weight: 20kg
 Cockpit: 91 x 42cm

The drifter is a great boat for both kids and adults. Its innovative design is super stable and easy to paddle, with great manoeverability and tracking. It even makes a great fishing boat. The versatile drifter also accomodates diving and surfing or just use it in 'drifting around'.

STANDARD OUTFITTING
 Linear polyethylene seat, molded-in foot rests, large Key-hole cockpit, seat with adjustable backrest, carrying toggles, deck rigging.

DRIFTER II

Length: 398cm
 Width: 74cm
 Depth: 30cm
 Weight: 24kg
 Cockpit: 200 x 48cm

The Drifter II is the tandem version of our popular Drifter. Its wide cockpit, incredible stability and sliding seats allow you to adjust the trim for solo or double use. The stable, efficient hull design and polyethylene construction are great for family use.

STANDARD OUTFITTING
 Linear polyethylene seat, Yakima foot rests, moveable seats with adjustable backrest, carrying toggles, deck rigging.

HULA

Length: 258 cm
Width: 68 cm
Weight: 14.5 kg
Weight limit: 102 kg

STANDARD OUTFITTING

Soft body contour deck design, bow, stern and side carry handles, ergonomic moulded-in seat and foot wells, multi-position accessory eyelets for thigh straps or seat-back, self-bailing hull.

ToyBoys' cruisest sit-on-top. Its' wide beam and up-thrust bow increase boat stability while allowing you free reign on the biggest waves. It's great cruising on flatwater and getting a tan, or racing down the swells. Originally designed as a surf kayak, the Hula is popular with all ages and expectations.

VENTURA

Length: 445 cm
Width: 70 cm
Weight: 23 kg
Weight limit: 193kg

STANDARD OUTFITTING

Soft contour deck design, bow, stern and side carry handles, comfort-fit, moulded-in seat and foot well, recessed drink holder, accessory eyelets for thigh straps or backrest, shockcord deck rigging. Expedition with large bow hatch and rudder. Luggage straps and rear hatch are optional.

This sit-on is equally at home in sea or surf. Designed as the 'beach-bum's' answer to the sea kayak, our long waterline and small beam allow the ventura to move speedily through the water. Outfitted with plenty of storage areas, the Ventura will allow you to stay out as long as possible-just remember the sunscreen.

TOY BOY CANOES AND KAYAKS

CAYMAN

Length: 375 cm
Width: 72.5 cm
Depth: 25 cm
Weight: 26 kg

STANDARD OUTFITTING

Small day hatch with mesh pocket/optional large hatch, recessed foot moldings/optional, Yakima footrests, carrying toggles, drain plug. Optional Luggage straps.

Daggers' fastest cruising sit-on-top. Its' wide beam and shallow midship arch increase boat stability while having a speedy feel that you don't get in most sit-on-tops. The upswept bow design keeps the boat from diving into choppy waves and swells in open water or surf zone.

Dagger

KANOO

Length: 390cm
 Width: 92cm
 Depth: 30cm
 Weight: from 26kg

STANDARD OUTFITTING

Linear polyethylene seat, fixed buoyancy, carrying toggles, alloy thwarts, plastic gunwales.

The Kanoo is the best boat for singles or kids. Light enough to manage on your own, its stability in the water make it a must for the family. Great tracking and super manoeverability also allow it to be a fantastic choice for tandem paddlers wanting a smaller boat.

**KANOO 2**

Length: 445cm
 Width: 92cm
 Depth: 30cm
 Weight: from 30kg

STANDARD OUTFITTING

Linear polyethylene seat, fixed buoyancy, carrying toggles, alloy thwarts, plastic gunwales.

The Kanoo 2 is a great boat for both kids and adults. Its design is stable, easy to paddle, with great manoeverability and tracking. It easily fits two or three people or a load of gear. This is the one for trips or to take fishing. It's the boat of choice for school groups.

TOY BOY

CANOE AND KAYAKS

ENDEAVOUR

Length: 440 cm
 Beam: 80 cm
 Weight: 32 kg

STANDARD OUTFITTING

High strength polyethylene shell, Minicell foam buoyancy, large cockpits & rims for spraycovers, integrally moulded seats, rope carry toggles.

The ENDEAVOUR canoe is a two/three person multi-purpose craft. This clean tracking and fast moving semi-enclosed style canoe is great for taking down challenging rivers or just a lazy weekend of lake touring. It has plenty of room in the central cockpit for gear or a third person and will take a spraycover for severe whitewater work.

VAMPIRE BAT

Length: 298cm
Width: 58cm
Depth: 20cm
Weight: - Normal: 14 kg
- Competition: 11kg

STANDARD OUTFITTING
Adjustable foot rests, integrated rubber bumpers

Designed by Australian Polo Team member / Australian Polo champion Duncan Cochrane. Its' comfortable seat, fast, easy handling and turning capabilities have made it a favourite. The kayak has integrated rubber bumpers and meets all Australian and International regulations.
